Thanks to all that came and those that helped put up and take down. Our first 3 gun opened a window for improvement and changes. Hope that we will be able to have the changes and improvements in place for the next round.

6th Place should have had magazine changes, but did not, because of the lack of proper instructions, that is why the good score came in 6th.

Again, this is for fun, safety, and proficiency improvement of the skills.

A supper nasty day that turned out pretty darn good for a day at the range.
