

Easter egg shoot

This is a rimfire .22lr, 22 Mag, or 17 HMR shoot shot at 50 and 25 yards in 3 rounds

First round. 50 yards

- Shooters will shoot from the bench with separate front and rear support one shot at each egg. If you hit the dark blue color in any way it is -10 if you hit any other color

without breaking the line on the dark blue you will earn 5 points

Second round 50 yards

- Shooters will shoot from the bench with front support only. One shot at each egg. Using the same scoring system as the first round.

Third round 25 yards

- Shooters will shoot standing offhand without support. One shot at each egg. Using the same scoring system as the first
