**Equipment:** Any safe semi auto rifle, up to 25 round mags, and semi auto pistol 10 round capacity, chambered for .22LR may be used with your choice of metallic or optical sights. The same guns shall be used throughout the course. **Eye and Hearing protection is mandatory ! Cold Range - load only when instructed to do so by the Range Safety Officer.**

**Course of Fire:** There will be a variety of stages. Each match may have different stages to keep it new and interesting. All stages are fired against the clock. Pistol stages will require no more than 10 shots so reloads on the clock are not required.

**Targets:** Targets will be steel at a maximum distance of 30 yards.

**Scoring:** The shooter's score will be the total time for each stage plus any penalties. Time will be recorded from the start buzzer to the final shot of a stage.

**Ammunition:** .22LR standard velocity ammunition only, no .22 magnums allowed. Hyper velocity ammunition is discouraged to avoid excessive target damage. Approximately 100 rounds are required.

**Kids should have adult supervision.** This is a fun shoot, there will not be prizes awarded due to the wide variety of equipment types and skill levels possible. However, shooters will be ranked for bragging rights. **Remember, your toughest competition is yourself.**
